## WORK EXPERIENCE

Fitivity – Santa Monica, CA

2017 - Present

- ❖ Creating multiple different icons that illustrate a variety of fitness exercises while following the specific graphic design style of the Fitivity phone app.

CCA Student Affairs Office – San Francisco, CA

2015 - Present

- ❖ Provides frontline problem-solving and guidance for a diverse group of student needs
- ❖ In coordination with others, organizes, promotes and facilitates a variety of student events

Juicy Ladies Organic Juice Bar & Cafe – Woodland Hills, CA

2015 - 2017

- ❖ Order taking, serving and cashier for front-of-the-house duties with an overriding commitment to customer service, often requiring wearing many hats, being flexible, patient and a team player

RedBubble – Redbubble.com

2014 - Present

- ❖ Generate piecework income by creating original art that customers purchase by selecting from a variety of merchandise to which my designs are transferred and then fulfilled by the RedBubble website

---

## ACHIEVMENTS

- ❖ Co-directed The Sunken Forest group project – an animated short film directed by a colleague for his senior thesis project
- ❖ Received an Excellence in Student Leadership Award for outstanding community service to the CCA art community
- ❖ Won second place in Earth Day art contest for design of a sculpture made exclusively from recycled products (collaborated with four other artists)
- ❖ Original design selected to be painted on one of eleven trash bins as a community art project for beautification of the city of Northridge, CA
- ❖ Received Scholastic Gold Key Award for digital artwork
